CGPA : 8.5

Intermediate, Sri Chaitanya jr College Jun 2019 – Apr 2021 | Hyderabad, India
Percentage : 95.4

SSC, Manasa High School Jun 2018 – Apr 2019 | Jagtial, India
GPA : 9.8

PROJECTS

Personal Portfolio Website 📄

- Developed a personal portfolio website using HTML, CSS, and JavaScript to effectively showcase professional skills, experience, and projects.
- Created and integrated sections including "About Me", "Technical Skills", "Internships", and "Projects" to provide a comprehensive view of qualifications and achievements
- Ensured optimal performance and user experience through clean coding practices, responsive design, and intuitive navigation

Library Management System 📄

- Developed a console-based Library Management System in C, handling books, users, and transactions through in-memory data structures and basic file operations.
- Implemented key functionalities including adding, deleting, searching, and issuing books, using arrays to manage and store information efficiently.
- Managed data persistence and retrieval through file operations, ensuring system reliability without relying on a backend database.

Login page 📄

- Developed a login and signup page using Python's Tkinter for the graphical user interface (GUI), providing input fields for username and password.
- Integrated MySQL to securely store and manage user registration details and verify login credentials against the database.
- Ensured secure user access and management through effective credential validation and data handling between the GUI and MySQL database.

CERTIFICATES AND INTERNSHIPS

- Basics of python - Infosys Springboard
- Basics of Java - Hackerrank
- Android Developer Virtual Internship
- Devops Internship - Eduengine
- AI-ML Virtual Intership
